Donations to the Southwestern CT Agency on Aging support programs for seniors throughout Fairfield County. Your donation will go to work immediately providing critical needs, food, shelter and access to services, for hundreds of Fairfield County's most needy seniors.

Steep rises in the cost of food, fuel and housing have had a severe impact on seniors living on or below the poverty line. The Southwestern CT Agency on Aging (SWCAA) provides direct assistance to low-income seniors. With your support, we can help seniors enroll in social and financial assistance programs and improve their quality of life. Giving seniors and disabled individuals an alternative to nursing home institutionalization is a primary goal. Please support the Agency's Annual Friends Appeal so that we can offer these individuals the dignity of living independent of institutions with home-based support in the community.

Last year, SWCAA funds helped a senior flee an abusive situation, secure housing and receive in-home support. For less than \$1,000, we were able to relocate the senior and provide a safe environment and the opportunity to live with peace of mind. Please send your most generous gift today. Thank you for your commitment to care for Fairfield County's most vulnerable seniors.
