

# AREA PLAN SUMMARY

## 2025

# Introduction

---

- Required by the Administration of Community Living and Bureau on Aging
- Completed every three years
- Identify community needs
- Roadmap to guide resource allocation
- Support outreach to targeted communities
- Request waivers for Agency programs

# Process

---

- Literature Review
- Needs Assessment
- Provide a review of previous three-year period
- Align goals with the State Bureau on Aging
- Set goals, objectives and outcomes including outreach to target population

# Assessment of Need

- Meetings and focus groups with seniors
- Meetings with local Council on Aging
- Legislative priority meetings
- Analyze the call data

## Top Ten Annual Aging Requests from Clients

# Assessment of Need

## Top 10 Calls from Caregivers

- Meetings and focus groups with caregivers
- Analyze the call data

## Target Populations

- Low income
- Minority, at-risk of institutionalization
- Alzheimer's or related disorders
- Non-English speaking
- Rural
- Severely disabled populations

# Outreach Strategies

---

- Focus on Bridgeport, Norwalk and Stamford, where the greatest number of residents are members of the target population
- OAA-funded programs must meet a minimum of the low-income and minority percentage evident in their community

# Goals

---

1

Enhance Home & Community Based Services (HCBS) by empowering older adults to reside in the community setting of their choice

2

Improve opportunities for Healthy Aging by providing older adults with prevention and wellness opportunities

3

Support Elder Rights and the prevention of elder abuse, fraud, neglect, and exploitation

# Objectives

---

- Navigate, counsel, inform and enroll clients in programs that support HCBS options
- Support health & wellness programs
- Increase awareness & reduce stressors that lead to neglect and abuse

# Strategies for Access

- Share information with Advisory Council & Community Focal Points
- Assess and enroll residents in Title III Older Americans Act Programs as a bridge to Medicaid enrollment
- Annual training on Medicaid waivers for internal staff across departments
- Offer multi-lingual navigation and person-centered options
- Target underserved communities

# Strategies for Improved Health

---

- Fund evidence-based programs & senior centers that support under-served communities
- Promote good nutrition via home-delivered, community cafes, and nutrition education
- Educate on Medicare and other insurance options to ensure financial access to care & medications

# Strategies for Elder Rights

- Support the work of the Coalition for Elder Justice in Connecticut and CAPE, our regional, multi-disciplinary community conference
- Work collaboratively with Protective Services for the Elderly
- Offer caregiver respite to reduce the stressors associated with caregiving

# Waivers- permission to use funds for AAA Programs
